Re: United States v. Mayur Rele,
Southern District of New York
19 Cr. 842 (RA)

Dear Judge Abrams:

The undersigned counsel for defendant hereby requests leave of the court to file the enclosed motion for a subpoena *duces tecum* under seal. The proposed subpoena is directed to the “victim company” a publicly traded company. Much of the information in the memorandum in support of the motion was gleamed from internal company records and third-party audit reports that were provided by the government in discovery pursuant to a protective order signed by this court dated October 13, 2020. [ECF 10].

Public filing of this motion may invade the privacy of the non-party “victim company” and reveal information that contains or reflects confidential business information (including but not limited to information pertaining to a business's network, critical systems, data storage, and information technology), and protective order is warranted to shield individuals and a business from potential invasions of privacy and/or economic harm.

Accordingly counsel respectfully request leave of the court to file the attached motion and subpoena under seal in order to shield non-party individuals and a business from potential invasions of privacy and/or economic harm.

Respectfully submitted,

/s/ Paul Wiegartner, Jr.
